  - Where we are
  - How to reach
  - History, Culture & Attractions
  
- **Karadeniz Technical University**
  - Facts & Figures
  - Facilities
  - Internationalisation

# TRABZON

---

- Trabzon is located in the northeast of Turkey, on the coast of the Black Sea.

# TRABZON

---

- A city whose history dates back to 2000 B.C.
- Distinct culture and cuisine within the rich diversity of local/regional cultures and traditions of Turkey
- Reachable by means of air and land transportation
  - 1 hr 45 mins flight from İstanbul
  - 1 hr 20 mins flight from Ankara
  - Regular flights to/from İstanbul, Ankara, İzmir, and Antalya
- Home to a magnificent nature with all shades of green and blue

# TRABZON

---

- Trabzon has been an important centre of cultural interaction, since it was located on the historical trade route, the Silk Road.
- Cultural heritage of many civilisations such as the Romans, the Greeks, and the Ottomans
- As a port city, Trabzon is still an important centre of commerce.
