

# Study in Freiberg

- Introduction – This is TU BAF
- How to apply as an exchange student

# The location of Freiberg

### Freiberg in Saxony, Germany:

- ca. 40,600 inhabitants
- part of the UNESCO World Heritage “Mining Cultural Landscape Erzgebirge“

Prague, distance to Freiberg: 150 km

Dresden, distance: 40 km

# OUR PROFILE – THIS IS TU BAF

## 4 KEY AREAS

Geo - Materials - Energy - Environment

## STRONG IN RESEARCH

TOP 5 in third-party funding per professor  
throughout Germany

## INTERNATIONAL

184 partnership relations  
worldwide

## EUROPEAN EXCELLENCE

EIT RawMaterials - European Institute of  
Innovation and Technology

## UNIQUE FOUNDATION COMMITMENT

Dr. Erich-Krüger-Foundation,  
Foundation Collection terra mineralia, ...

## SCIENCE LOCATION FREIBERG

Helmholtz Institute Freiberg for Resource Technology (HIF) and the  
Fraunhofer THM, university competence centers

**FACULTY 1**

Mathematics  
and Computer  
Science

**FACULTY 2**

Chemistry  
and Physics

**FACULTY 3**

Geosciences,  
Geo-engineering  
and Mining

**FACULTY 4**

Mechanical,  
Process and  
Energy  
Engineering

**FACULTY 5**

Materials  
Science and  
Technology

**FACULTY 6**

Business  
Administration

Modern infrastructure, e.g. chemistry labs

## STRUCTURE

6	Faculties
42	Institutes
13	Central Departements
8	Affiliate institutes
6	University Competence Centers

## EMPLOYEES

2.196	Employees
89	Professorships
2	Junior Professorships

## STUDY RELATED

69	Degree programmes
18	Bachelor programmes
36	Master programmes
15	Diplom programmes (academic degree)
4,000	Students

## RANKINGS

National: TU Bergakademie Freiberg is the most popular university in Saxony in the StudyCheck university ranking 2019: With 91% recommendation, it was the only Saxon university to achieve a top 10 position in a nationwide comparison, coming in ninth.

International: QS Ranking - Top position for the TU Bergakademie in the international ranking 2020 QS World University Rankings by Subject QS: 16th place for Mining and Earth Sciences

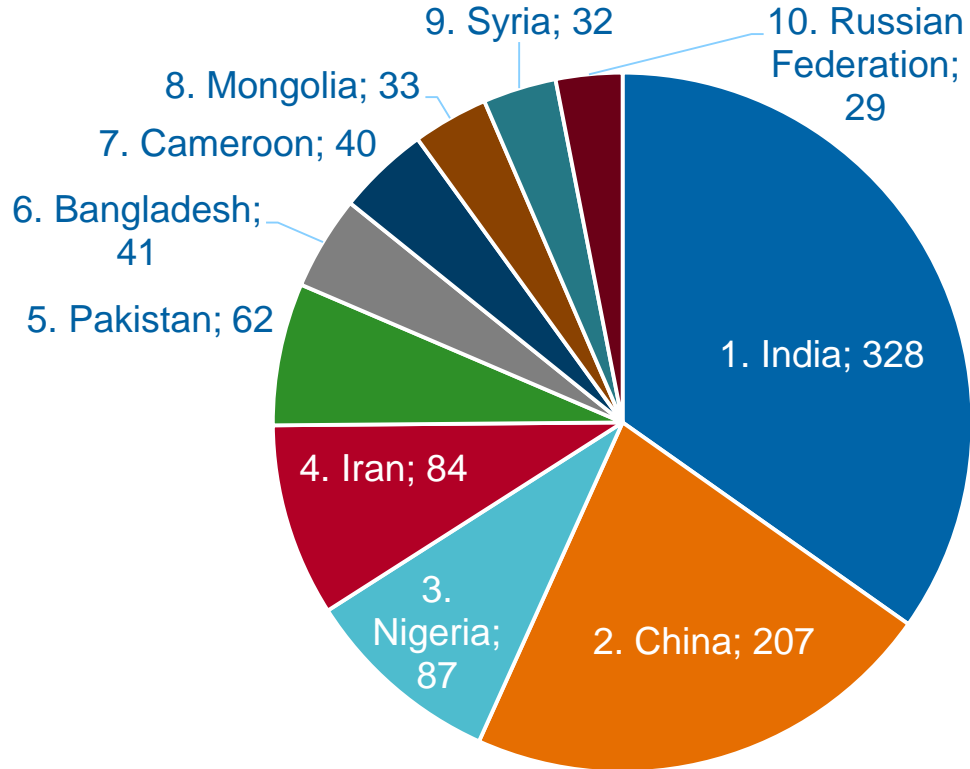

# International University

# Where do our 1,550 international students come from?

Date of statistics:  
1 December 2020

## Top 10 Countries of Origin

Date of statistics:  
January 2021

# ACCOMMODATION AND LIFE ON CAMPUS

## Dormitories

- monthly rent: 200 – 300 €

The refectory (“Mensa”)

58 study programmes taught in German

11 study programmes taught in English

Follow the link below for an overview and detailed information.

## Geoscience, Geoengineering and Mining

- Advanced Mineral Resources Development
- Geomatics for Mineral Resource Management
- Geoscience
- Groundwater Management
- Sustainable Mining and Remediation Management

## Mechanical and process engineering Material science and technology

- Advanced Materials Analysis
- Computational Materials Science
- Metallic Materials Technology
- Mechanical and Process Engineering
- Technology and Application of Inorganic Engineering Materials

## **Economic sciences**

- International Business and Resources in Emerging Markets - IBRE

## Erasmus+

With few exceptions, Erasmus+ and other exchange students from partner universities are eligible to take any module (lecture, seminar, etc.) taught in English, even those offered by another faculty.

A list of available modules in English is available at our website:

[tu-freiberg.de/international/modules-in-english](https://tu-freiberg.de/international/modules-in-english)

# Application

Winter semester:

1 October to 31 March

*Application deadline: 31 May*

Summer semester:

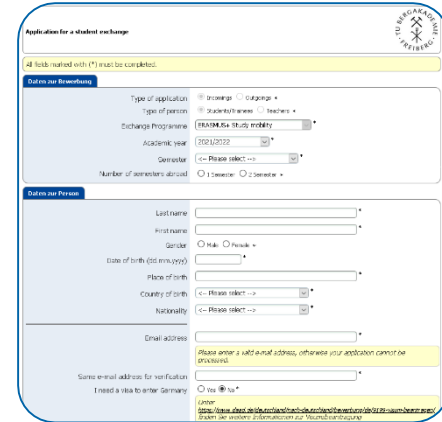

1 April to 30 September

*Application deadline: 30 November*

Erasmus+ and other exchange students have to apply online at least 4 months in advance.

Information web page

Online application form

Erasmus+ students: [tu-freiberg.de/international/erasmus-in](https://tu-freiberg.de/international/erasmus-in)  
Exchange students: [tu-freiberg.de/international/exchange](https://tu-freiberg.de/international/exchange)

## Required application documents

- **Application form**, generated by the online application portal
- **Learning Agreement** including study plan/list of desired modules
- **Official certificate of German and/or English language proficiency**, depending on the language of instruction
- **Certificate of enrolment** (home university)
- **Latest transcript of Records**
- **If applicable: Proof of any university degree you have achieved so far** (e. g. Bachelor certificate)
