

Summary of the application of the guidelines for performance evaluation and competitions of academic employees

For lecturers and researchers:	Current guidelines for performance evaluation and competitions:
Organisation and procedures of performance evaluation and competitions for the job positions	The guidelines approved by Decision of the Senate No. V3-S-10 of 23 01 2019 (except for Part VI)
Qualification requirements of competitions and performance evaluation*	The minimum qualification requirements for the job positions of lecturers and researchers provided in Part VI of the guidelines approved by Decision of the Senate No. V3-S-41 of 04 07 2013.

** An exception is applied to the academic employees whose performance evaluation has been postponed (due to the long-term vacation, the long-term traineeship, the illness). The minimum qualification requirements for lecturers during their term of office provided in Part VIII and the minimum requirements for researchers during their term of office provided in Part IX of the guidelines approved by Decision of the Senate No. 64 of 16 12 2009 are applied to these employees.*
